## Pastor's Notes

Rev. Garland Hawkins  
Pastor

Summer is flying by and school will be starting this month. The theme for this month is education. 2Timothy 2:15 says, "Study to show thyself approved unto God, a worker does not need to be ashamed, rightly dividing the word of truth."

Zach Stubblefield  
Youth Minister

Study, studying weren't words that I ascribed to while going to school. I did well in grade school making A's and B's but when I hit middle school, high school and college, my study habits were deplorable. I made mostly C's a few D's and a couple of F's. I graduated from high school in 82<sup>nd</sup> place out of 182 seniors. That was indicative of my poor study habits. College was a total mess where my academia was nondescript. I was on academic probation for five straight semesters. It was not until my second semester at Campbellsville College that I finally achieved a G.P.A. of 2.22 (hallelujah)! I had managed to study enough to achieve this level of educational success.

I retired from the college career and pursued a short military career. It was in the Air Force that I rekindled the art of studying. I learned that by making good grades and passing their standard of excellence, that I could advance in rank. My Air Force education was short-lived due to my father's death. Sometimes I reflect back thinking "what if?"

Seventeen years after the Air Force I found myself back in school attending Boyce Bible College. This came about as a result of my entering the ministry in 1987. The experience at Boyce was very exciting and fulfilling because God used men of strong faith and character to develop my gifts and graces. I enjoyed studying and interacting with the professors and my grades reflected it.

My point in sharing this with you is that God has a plan and a purpose for all of us. God wants us to be disciples and a disciple is one who learns from the teacher. Our teacher is Jesus Christ and he encourages us to study his word. Rather than sliding by just to get a passing grade, let's shoot for a G.P.A. (God's Point Average) of 4.00.

You may feel like I did with some of the classes I attended where the information was way over my head. The best way for me to understand it was to seek out one or more of my peers to get their feedback. Working with them helped me to grasp some of the tougher subjects. The same is true with bible study, we have excellent teachers who are willing to share their knowledge of God's word.

If we are to be approved unto God, then we need to be in God's house rightly dividing the word of truth. Amen!

Items needed are shampoo, toilet paper, dish detergent, laundry detergent, toothpaste, razor blades, cleaning supplies, magazines, etc.

**Helping our Church while buying Groceries**

Getting ready for those Back to School celebrations, or **Labor Day** parties? Use your Kroger card and help the church. Purchase a Kroger card from Laura for \$5.00 (the card is loaded with \$5.00). Then take it to Kroger's, load your card with money you were going to spend anyway, buy your groceries, your prescriptions, your gas, say \$100.00, then use that Kroger gift card. HUMC will get \$4.00 from Kroger. You do not pay any extra, it does not cost you any more and each time you use it HUMC get 4% of whatever you spent. Make sure you load it before you start you transaction. Make sure you keep some money (at least \$1.00) on the card or it will expire with no money on it.

All money made through the Kroger cards goes to projects to help the hungry in Mercer County. This is what is used to buy food baskets in December.

**DID YOU KNOW?**

Shopping at Kroger can make the church money?

(4% of your grocery money will go back to the food baskets and back packs)

Get your Kroger Card TODAY!

## —MISSIONARY NEWS—

Dear Prayer Team,

I've made it back to the States and I'm adjusting, resting, and spending time with family. Thank you for praying for me during my time in Hungary...I hope to send out a newsletter soon. I can't wait to share some stories about my students this year!

This is not the end. My life in missions will continue and I'm excited in the near future to share some plans and opportunities to continue supporting God's Kingdom through your prayers and gifts! Big things are coming! Please pray for me as I form some plans for ministry and Kingdom work that I'm really excited about. I hope you will continue to be a part of the work God is doing in and through me.

A few things...if you are a monthly supporter through automatic deposit with Teach Overseas: please call 1-800-895-7955 and ask for Lynda or Paul, you must speak to them directly about cancelling your automatic withdrawals.

Secondly, if you wish to no longer receive these e-mail updates, please let me know and I will take you off the list.

Otherwise, I look forward to sharing more with you and continuing to partner with you in seeing lives changed in the Kingdom of God!

Sharon Price

MEG group is going to begin a new study starting **Aug. 14-Oct 30** (12 weeks) on Spiritual Gifts.

This is a great study for everyone! If you are unsure of how you can be involved, with joy, as a part of the church, this study will help you identify and exercise your gift.

You may be serving in an area that is contrary to God's gift which can be a source of burn-out and frustration.

Even if you are familiar with your spiritual gifts, this is an opportunity to learn about and help mentor children, new believers etc. to find their roll in the church and community.
