April 15th is looming around the corner and I have not filed my taxes as of 3/22/15. I don't usually take this long to file but there have been mitigating circumstances that have held me up. I am mindful what Jesus said when asked about taxes, "Render unto Caesar the things that are Caesar's and unto God the things that are God's" (Mark 12:17). I have no problem rendering unto God but I struggle with rendering unto "Caesar." So, pray for me that I might render in a timely fashion.

Have you noticed that our worship services have taken on a vitality that is contagious? The Holy Spirit has been most evident in all parts of worship and I attribute that to prayer and a new energy that has erupted in our music ministry.

We are blessed with tremendous talent in our church and that is most evident in our 10:40 & 11AM worship services.

I am thankful to be surrounded by a wonderful ministry team who recognizes their gifts and talents and is obedient to the prompting of the Holy Spirit.

May the peace of Christ be with you,
Pastor Hawkins

Direct my steps today I pray,
 make me holy on the way.
 Guide me gently by thy hand,
 give me strength to take a stand.
 Sanctify my thoughts today,...
 filter every word I say.
 Till Your life is all they see,
 when in thought, they think of me. Amen.
 Filter every word I say.
 Till Your life is all I see,
 When in thought, they think of me, Amen

God loves music!

Zephaniah 3:17 says that God exults over us with singing.

Psalm 40:3 says that God puts a new song in our mouth, a hymn of praise to our God.

Harrodsburg United Methodist Church loves music, too! When I first came to HUMC in January 1988, I was overwhelmed at how musical you are and by how you love music! After all these years, you make me feel that what I do for you is valuable and vital to worship at HUMC. THANK YOU!!

As music lovers, please consider helping us repair the sanctuary grand piano. This lovely Baldwin has been faithful for many years... well over 40, I believe! Sadly, she is in need of a little repair work. The technician has assured us that she is in great shape and can be restored at a cost of \$2100, which includes new hammers, regulating and tuning. This is a fraction of the cost of a new instrument and will provide us with many more years of music from this beautiful piano.

If you would like to help, please mark your donation "piano repair," and place it in the offering plate. OR you can see Michael Barnard or Martha Robertson with your donation or for more information and questions. Also, look for more in the coming weeks. And THANK YOU!!!!
