**Pastor's Notes**  
**Theme: Change of Personnel**

**Kentucky Annual Conference**

The Kentucky Annual Conference is pleased to announce that Bishop Leonard Fairley has been assigned as the new bishop of the Louisville Episcopal Area. The Louisville Episcopal Area is comprised of the Kentucky and Red Bird Annual Conferences.

Bishop Fairley has served the North Carolina Conference since 1984 and his most recent appointment was serving as the District Superintendent of the Capital District. The Capital District is the largest district in the North Carolina Annual Conference.

Bishop Fairley will follow Bishop Davis and will begin his duties September 1.

**Triple Cross Arena and Cowboy Church**

The New Church Development (NCD) team announced that Jennifer McDonald has been appointed to be the pastor of the Triple Cross Arena and Cowboy Church. The previous pastor, Andrew Gregg, has accepted an appointment in Portland, Oregon.

Jennifer is a certified candidate for ordained ministry as an elder in the Bighorn District of the Yellowstone Annual Conference (YAC). She is an M.Div. student at Asbury Theological Seminary. She plans on graduating in May, 2018. Horses are both a hobby and professional interest. She owned three horses until coming to Asbury Seminary. She has a unique calling and with her background with horses, she is an excellent candidate as pastor.

Jennifer will be with us July 31 in worship and we look forward to welcoming her into our faith community.

**Youth Director**

Tim and Monnie Berger have served as our interim youth directors since December of last year. They have committed time, energy, and resources to help keep our current youth program alive and functioning. We as the church are indebted to them for their faithful service over these past months.

The SPPR/Youth Council met Wednesday evening to interview Alex Mace for the second time. Several of our folk weren't here the first time Alex and McKenzie came so this meeting was scheduled to give everyone an opportunity to meet them. Alex met with the youth from 6-7p.m. to lead in bible study. He and McKenzie met with the team to further discuss his aspirations and dreams for the youth program.

There was great interaction among the folk with Alex and McKenzie. After all questions had been answered, we prayed for them and bid them God's grace.

The team discussed pros and cons of each candidate and both had gifts and graces to bring to the table. It was really a difficult decision to make as to whom God would have to be our Youth Director.

Paul Bosse, Chairperson of SPPR, called for a secret ballot to be cast with simple majority. The results of that casting would not be broken down by numbers but only as to whom received the majority. The results of that vote were in favor of

Alex Mace. We concluded that meeting with prayer and thanked God for all who were involved in this difficult decision. Alex and McKenzie will start August 7, 2016.

**Custodial Position**

Dottie Jackson resigned from her duties the end of June and thus we were seeking someone to step into that role. Joe Hubbard said he would act as interim custodian until such time the SPPR found someone to take Dottie's place.

Joe Hubbard and the Pridey family have applied for the position. The SPPR will be making a determination in the next week. Please be in prayer for the SPPR that God will give guidance and direction.

Those are the changes of personnel that have an impact on our conference, our district, our church, and our youth. Please pray for these changes and the people who will be giving guidance in all matters both big and small.

Blessings,  
Pastor Hawkins

## **BACK PACK TIME!**

Nothing more exciting to be at Redi-Fest and see 500 back Packs handed out to students in grades K-12. For the past few years John and I have been involved with back packs and we have partnered with The Carpenters Christian Church to do this feat. (Got too big for one church to handle). Kentucky Utilities donates the 500 back packs and then the churches raise money to fill the back packs. The churches and their workers as well as KU volunteers stuff the back packs and then man the booth at Redi-Fest so that 500 students have the supplies their teachers have requested for them to have to start the year. When we hand them out students and parents alike are happy to get the supplies. The only un-happy faces are those of the younger students that are NOT going to school and do not get a back pack. (we usually give them a goody, too) Thanks to all who donated this year and helped. Our church gave \$2000.00 to help purchase the school supplies. This was started because of a teachers prayer almost 8 years ago. She came to us and said there was a *NEED* and our church continues to answer that prayer.

The Wesley Group is open to anyone in the church. Our next projects are the Wesley Christmas Dinner and Christmas Food Baskets. If you need a way to make your Christmas Holiday special join us for Food Baskets and Wesley Christmas Dinner. More Information and dates to come soon.

Thanks for all your support for all the projects that the Wesley Group completes.
