New Year Message

Wow!. What an Advent and Christmas season! I finally got to experience the Hanging of the green service I'd been hearing so much about, and it was a wonderful night. I also got to attend the Wesley dinner and then see all that goes into packing the 200 boxes for families here in Mercer County, and again what a wonderful thing to see. Our Sunday before Christmas was special, with 106 in attendance and a great collection of musical talents shared with our congregation.

So now, what?

2019 is here, or almost here. We'll begin to work on church issues with a new leadership team. We'll be putting out an insert on 12/30 and 1/6 with all the new officers and committee members, so you can know who to contact with questions, comments, etc. Our first lead team meeting is scheduled for January 22, and that'll be the first time for that group to meet.

We also begin to kick into a higher gear on our After School ministry project. January 5 and January 12 will be work days in the Methodist Building/Youth Building. We'll be patching walls, prepping them for a new coat of paint. We also plan to change out the light fixtures to make the room brighter. Our goal is to finish repair and painting by the end of January. We also are planning an Open House for parents of young people to come and see what we're trying to do and to give permission for their young people to attend. If all goes well, by February we'll be having a one-day-a-week after school program for middle schoolers and up here on our campus.

To pull all of this together we need to, well, all pull together. Talk with Joe or Paula Hubbard or Robert Campbell about any details, and plan to come and join in the fun of renewing our ministry space at the Youth Building. Also, see if volunteering for this ministry is something God is asking you to do. We're hoping to have 4-6 adults each time we have the ministry so that there's enough supervision and help to make sure the kids are well-cared for. This means a lot of folks need to volunteer their time to pull this off.

Finally—Snow Policy. Since I live here on the property, I know I will be able to make it to church no matter what. I also know that everyone else has to travel across city and county roads to get here, so let's make this deal. For Sunday worship—I'll be at the sanctuary for the 11 o clock service ONLY on any Sunday that's snowy or icy enough to create doubt (no 9 O'clock service—we'll let road crews and sunshine have a chance to work!) If you want to come, and feel safe in getting out, we'll meet one another for some kind of worship experience. If you don't feel safe to get out, then please stay home and know God is with you and that all is well. For any other church activities during the week, we'll notify people involved as needed. If at any time you have questions, call me at 502-751-7574 and I'll answer any questions you may have.

Let's start our New year together with energy and purpose—but most of all, with joy. God is giving us a great opportunity here in Harrodsburg, and it is exciting to try and see what might happen.

Blessings!

Meets 3rd Tuesday of the month at 10 AM in church. Join us for a great meeting and lots of fun.

Book Nook

The Doris Davis Circle has given away approximately 1000 books in the past two years from 6 months to teens. Learning to read is so important. Research shows that close to 75% of prison inmates are considered illiterate. When starting to do your Winter cleaning bring your gently used books for the Book Nook.
